January 12, 2018

Dear Parents/Guardians,

In an effort to prepare students for academic success, we offer an after school tutorial program for all students in the following core classes: math, science, social studies, and ELA (English Language Arts).

**Please indicate which area/areas your child will attend tutoring.**

**\*BEGINS: February 5, 2018 - May 4, 2018**

**\*DAYS: Tuesday and Thursday – TIME: 4:20 – 5:30**

**\*Subjects: Math, ELA, Science and Social Studies**

Please complete and have your child return the bottom portion of this letter to their homeroom teacher no later than Wednesday, January 17, 2018

**(Transportation will be provided for students attending the after school program)**
