Our theme is **Lion PRIDE: Perseverance Respect Integrity Discipline Enthusiasm**. We personify each word with an uncompromising commitment to excellence. Many of you worked throughout the summer at the school and prepared lesson plans, organized materials, and produced reports. Many of you worked while on vacation and created templates, managed meetings, and generated documents. Your hard work and dedication did not go unnoticed.

From the main office to the classroom and throughout the building, we foster high expectations and we will meet them. Our task is to convert challenges into celebrations because the children we serve require our maximum performance at all times. Whether we are at a duty station or on planning period, we model and monitor the behavior we expect our students to emulate. Children are watching our actions and hearing our words. Let us be ambassadors for them and provide an environment that engages and stretches their imagination.

When you arrive August 3rd at 8:00 sharp, keys will be distributed and breakfast will be served. We will meet in the cafeteria and review plans. We will rekindle bonds from last year and begin friendships with new teachers. We will establish a culture and climate that increases academic achievement and decreases discipline referrals. We will support each other when there is need of uplift. We will have courageous conversations when our effort wanes. We will embrace this new endeavor together with Lion PRIDE.

Sincerely Yours in Education,

Myron D. Broome, Ed.S.
Principal
