Dear Parents/Guardians,

Your child has been identified, based on their Georgia Milestone Assessment scores, to be part of our afterschool tutorial program which is geared towards preparing students for academic success. **The tutorial is scheduled to begin February 1, 2016 – April 21, 2016. It will be held Monday, Tuesdays, and Thursdays from 4:30pm to 5:30pm.** Students will complete a rotation in Math, Social Studies, Science, and/or English Language Arts.

The purpose of the afterschool tutorial is to provide students with additional practice in core academic subjects. It is imperative that students be consistent in attendance and that appropriate behavior is shown at all times. We want to ensure that all students participating in afterschool tutorial have the opportunity to work in an environment conducive to learning. Therefore, the following attendance and behavior policy is in effect: students will only be allowed 3 absences; after that, the student will be released from participating in tutorial. Any student who incurs discipline infractions during afterschool tutorial will be dismissed from the program.

**Additionally, transportation will be provided for students attending afterschool tutorial only.**

If you would like for your child to participate in the afterschool tutorial program, **please complete this application and return it to the student's homeroom teacher no later than Friday, January 15, 2016. Please make arrangements for students to start afterschool tutorial on February 1, 2016.**
